RULES OF BOTH HOUSES OF PARLIAMENT  
RESPECTING THE  
LIBRARY OF PARLIAMENT

A proper Catalogue of the Books belonging to the Library shall be kept by the Librarians in whom the custody and responsibility thereof shall be vested; and who shall be required to report to the Houses through Mr. Speaker, at the opening of each Session, the actual state of the Library.

No person shall be entitled to resort to the Library during the Session of Parliament except the Governor General, the members of the Privy Council, and of the Senate and House of Commons, and the Officers of both Houses, and such other persons as may receive a written order of admission from the Speaker of either House. Members may personally introduce strangers to the Library during the day-time, but not after the hour of seven o'clock, P.M.

During a Session of Parliament no books belonging to the Library shall be taken out of the building, except by the authority of the Speaker or upon receipts given by a member of either House.

During the recess of Parliament, the Library and Reading Room shall be open every day in each week, Sundays and Holidays excepted, from the hour of ten in the morning until three in the afternoon; and access to the Library shall be permitted to persons introduced by a member of the Legislature, or admitted at the discretion of the Librarians; subject to such regulations as may be deemed necessary for the security and preservation of the collection; but no one shall be allowed to take any book out of the Library except members of the Legislature, and such other as may be authorized by the Speaker of either House.

During the recess of Parliament, no member of either House not residing at the seat of Government shall have liberty to borrow or have in his possession at any one time more than three works, from the Library, or to retain the same for a longer period than one month.

No other person who may be privileged by card, by the Speaker of either House, to borrow books, from the Library, shall be allowed to have in his possession more than two books at any one time, or to retain the same longer than three weeks and all such persons shall return the books so taken when required by the Librarians.

No books of reference or books of special cost and value may be removed from the seat of Government under any circumstances.

At the first meeting of the Joint Library Committee at every Session of Parliament, the Librarians shall report a list of the books absent at the commencement of the Session, specifying the names of any persons who have retained the same in contravention of either of the foregoing Rules.

RÈGLEMENTS  
CONCERNANT LA  
BIBLIOTHÈQUE

Un catalogue des livres de la Bibliothèque est tenu par les Bibliothécaires qui en ont la garde et la responsabilité; ils doivent faire rapport à la Chambre, par l'entremise de M. l'Orateur, à l'ouverture de chaque Session, de l'état dans lequel se trouve la Bibliothèque.

Aucune personne ne peut avoir accès à la Bibliothèque, pendant les Sessions du Parlement, si ce n'est le Gouverneur Général, les membres du Conseil privé, ceux du Sénat et de la Chambre des Communes, les Officiers des deux Chambres, et toute autre personne qui obtient un billet d'admission de l'Orateur de l'une ou de l'autre Chambre. Les membres peuvent en personne introduire des étrangers dans la Bibliothèque pendant le jour, mais non après sept heures P.M.

Pendant les Sessions du Parlement aucun livre de la Bibliothèque ne peut être emporté de l'édifice excepté sur l'autorisation de l'Orateur, ou lorsqu'un membre de l'une ou de l'autre Chambre en donne un reçu.

Pendant la vacance du Parlement la Bibliothèque et la Chambre de Lecture sont ouvertes tous les jours de chaque semaine, excepté les dimanches et jours de fête, depuis dix heures du matin jusqu'à trois heures de l'après-midi; et la Bibliothèque est ouverte aux personnes introduites par un membre de la Législature, ou admises à la discréption des Bibliothécaires, sujettes aux règles qui sont jugées nécessaires pour la sûreté et la conservation des livres, mais il n'est permis à qui que ce soit, si ce n'est aux membres de la Législature et aux autres personnes ayant l'autorisation de l'Orateur de l'une ou de l'autre Chambre, d'emporter un livre hors de la Bibliothèque.

Durant les vacances du Parlement, aucun membre de l'une ou de l'autre Chambre ne résidant pas au siège du gouvernement, n'aura le droit d'emprunter ou de garder en sa possession plus de trois ouvrages à la fois; de plus, il ne devra pas les garder plus d'un mois en sa possession.

Aucune des personnes ayant le privilège—sur la foi d'une carte du président de l'une ou de l'autre Chambre,—d'emprunter des livres à la Bibliothèque, ne pourra avoir en sa possession plus de deux ouvrages à la fois ou les garder plus de trois semaines, et toutes ces personnes devront remettre les livres ainsi empruntés, lorsqu'elles en seront requises.

Aucun livre de référence, ouvrage de luxe et de prix ne pourra être emporté du siège du gouvernement pour aucune considération.

A chaque Session du Parlement, les Bibliothécaires devront, à la première assemblée du comité mixte de la Bibliothèque, soumettre une liste de tous les livres qui n'ont pas encore été remis au commencement de la Session, en spécifiant les noms des personnes qui auront gardé ces livres contrairement aux règles qui précédent.

In addition to the foregoing rules, the Joint Library Committee have agreed to the following New Rules, to which the attention of persons frequenting the Library, or making use of any books belonging thereto, is specially requested.

1. It is strictly forbidden to make any mark, by pencil or otherwise, in any books belonging to the Library, or to turn down leaves therein, or otherwise deface the same.
2. No person (other than a member of Parliament) is permitted to have access to any of the Galleries surrounding the Library, without the express permission of the Librarian or unless accompanied by an officer of the Library.
3. No visitor shall be permitted to remain in the Library with his hat on; nor will smoking, or spitting on the floor or carpet be permitted, in any of the Library apartments.
4. No audible conversation will be allowed in the reading room; nor shall any person be permitted to partake of refreshments therein; and no dogs shall be allowed in the Library.

Outre les règles qui précèdent, le Comité de la Bibliothèque a recommandé l'adoption des règles suivantes, dont toutes personnes fréquentant la Bibliothèque ou faisant usage des livres qui la composent sont priées de prendre connaissance:

1. Il est strictement défendu de faire aucune marque, au crayon ou autrement, dans un livre appartenant à la Bibliothèque, d'en plier les feuilles ou de le défigurer d'aucune autre manière.
2. Personne, à l'exception des membres du Parlement, ne pourra monter dans les galeries sans la permission expresse du Bibliothécaire, ou sans être accompagné de quelque employé de la Bibliothèque.
3. Aucun visiteur ne pourra garder son chapeau sur sa tête; personne ne pourra fumer, ni cracher sur le parquet ou le tapis d'aucune des chambres de la Bibliothèque.
4. On ne pourra converser à haute voix dans la chambre de lecture; on ne pourra non plus se permettre d'y manger. On ne laissera pas entrer de chiens dans la Bibliothèque.

REPORT  
OF THE  
JOINT LIBRARIANS OF PARLIAMENT

---

RAPPORT  
DES  
BIBLIOTHÉCAIRES CONJOINTS DU PARLEMENT

# REPORT OF THE LIBRARIANS FOR 1916.

*To the Honourable the Speaker of the Senate.*

*To the Honourable the Speaker of the House of Commons.*

The Joint Librarians have the honour to report to Parliament for the year 1916, as follows:—

The disastrous fire which destroyed the Parliamentary Buildings, in February, did not leave the Library unscahted.

The fire originated in the reading room, which contained a large and valuable collection of books, as well as the current newspapers.

When these took fire, the whole collection of books was hopelessly doomed to destruction.

During the night, the water thrown upon the burning buildings found its way ultimately into the Library, and the floor was flooded to the depth of many inches, during the two days which followed.

Much damage was done by this flood of water; but owing to the exertions of some members of the Library staff, who where on duty, the books on the lower shelves were, as far as time allowed, removed and placed on higher shelves out of danger.

The general effect of the fire on the Library was stated in a report to the Prime Minister, read to the House of Commons on February 14, as follows:

LIBRARY OF PARLIAMENT,  
OTTAWA, February 14, 1916.

“SIR,—In response to your request for a report on the condition of the Library and the losses sustained by the fire of Thursday night, February 3, we have the honour to report as follows:

Some exaggeration prevails as to the extent of the loss sustained. During the night of the fire, in accordance with instructions from the chief of the fire brigade, a large number of volumes were removed by the Library staff, and by the troops kindly and promptly offered by Colonel Street, of the 77th.

These were stored in various places and the volumes that had to be left partly in the open were protected by the men of the Public Works Department as well as was possible.

Later in the night the removal was countermanded by chief of the fire brigade, a large number of volumes were removed by the Library staff, and by February 10. There has therefore not been time to re-arrange the books and ascertain the loss in removal and the damage by water.

Our actual total loss by fire is certainly large, but is confined to books in the reading room and gallery above, as follows:

1. An extensive collection of rare editions of the Bible.
2. A very large collection of English pamphlets.
3. A still larger collection of reviews, magazines and periodicals of various kinds: quarterly, monthly and weekly, both French and English.
4. A valuable collection of ecclesiastical literature and law covering more than a century.

# RAPPORT DES BIBLIOTHÉCAIRES POUR 1916.

*A l'honorable Président du Sénat:*

*A l'honorable Président de la Chambre des Communes:*

Les bibliothécaires conjoints du Parlement ont l'honneur de présenter leur rapport aux deux Chambres pour l'année 1916.

Le désastreux incendie qui a détruit les édifices parlementaires, au mois de février, n'a pas tout à fait épargné la Bibliothèque.

Le feu s'est déclaré dans la salle des journaux qui contenait une collection considérable de livres de valeur.

Du moment que ces journaux eurent pris feu, tous ces livres étaient voués à une destruction certaine.

L'eau lancée pendant la nuit sur les édifices en feu finit par se répandre dans la Bibliothèque et, durant les deux jours suivants, le parquet fut recouvert d'une couche de plusieurs pouces d'eau.

Cette inondation a causé beaucoup de dommages. Mais, grâce au travail de quelques membres du personnel, de service en ce moment, les livres sur les rayons inférieurs furent, autant que le temps le permit, enlevés et placés sur les rayons plus élevés, à l'abri du danger.

Les dégâts causés par le feu à la Bibliothèque ont été mentionnés dans un rapport au premier ministre, lequel rapport fut lu à la Chambre, le 14 février 1916, tel qu'il suit:—

BIBLIOTHÈQUE DU PARLEMENT,  
OTTAWA, 14 février 1916.

MONSIEUR,—En réponse à votre demande d'un rapport sur l'état de la Bibliothèque et sur les dégâts causés par le feu de jeudi soir, le 3 février, nous avons l'honneur de vous communiquer les renseignements suivants:—

Il y a eu quelques exagérations relativement aux pertes éprouvées. Durant la nuit de l'incendie, conformément aux instructions du chef de la brigade des pompiers, un grand nombre de volumes ont été transportés par le personnel de la Bibliothèque et par les troupes que le colonel Street, du 77e, a eu l'obligeance d'offrir promptement.

Ces volumes ont été déposés en différents endroits et des livres qui ont dû être en partie laissés, dehors, ont été protégés, autant qu'il a été possible, par les hommes du département des Travaux publics.

Plus tard, dans le courant de la nuit, le transport des livres fut contremandé par le chef des pompiers. Le dernier chargement de ces livres, ainsi mis à l'abri, a été rendu jeudi, le 10 février. Le temps n'a pas été suffisant en conséquence pour remettre les livres en place et se rendre compte des pertes subies durant leur transport et les dégâts causés par l'eau.

Nos pertes totales causées par l'incendie sont assurément importantes, mais elles sont limitées aux livres qui se trouvaient dans la salle de lecture et dans la galerie située au-dessus et elles comprennent les volumes suivants:—

1. Une très grande collection d'éditions rares de la Bible.
2. Une très grande collection de brochures anglaises.

5. Some valuable scientific encyclopedias and dictionaries in the French language.
6. A great number of valuable donations from the Imperial Government such as the Roll series, etc.
7. A fine collection of the reports of the American Bar Association obtained at considerable cost not long ago.

In the course of time, and when space can be available again, the Librarians consider that the most of these losses can be repaired, through the usual Library agencies, without departing from the customary routine of business, and without making undue, if any, demands on the Treasury."

To this report little need be added.

Contrary to first appearances more water than was expected penetrated the floors in various directions and injured, to a considerable extent, a large number of volumes of newspapers, Parliamentary reports and American Congressional records.

All the volumes thus injured had to be collected, dried, and in many cases sent to the binders to be repaired or rebound—for the expense of which a sum was placed in the estimates.

This work has taken all the year, and owing to the state of things prevailing in the basements, was performed under disagreeable and difficult conditions; nor do we hope to have it concluded before the next session.

The Librarians have endeavoured to fulfil the hope they expressed of repairing losses without undue demands on the Treasury.

They have been assisted liberally in several directions.

At the request of the Prime Minister, application was made to the Council of the American Bar Association, whose reports had been wholly destroyed; and in response we, in due time, received from the Association thirty-eight most valuable volumes which had some years ago been catalogued and indexed.

Application was made through Honourable Sir George Perley, K.C.M.G., the Canadian High Commissioner, to H. M. Stationery Department in England, and permission was granted to supply to the Agents of the Library in London, a very large and most valuable collection of Imperial publications, which have been listed in the Library as follows:—

- Calendarium Genealogicum, for the Reigns of Henry III and Edward I.  
Edited by Charles Roberts, Secretary of Public Record Offices.
- Domestic Series. Edward VI, Mary, Elizabeth and James I. Edited by Robert Lemon, R.S.A., and by Mary Anne Everett Green.
- Domestic Series. Charles I. Edited by John Bruce, F.S.C., by W. D. Hamilton, F.S.A., and by Mrs. S. C. Lomas.
- Domestic Series. The Commonwealth. Edited by Mary Anne Everett Green.
- Domestic Series. Charles II. Edited by Mary Anne Everett Green and F. H. Blackburne Daniell, M.A.
- Domestic Series. William III. Edited by Wm. John Hardy, F. S. A.
- Home Office Papers. George III. Edited by Joseph Redington and R. A. Roberts.
- Scotland. State Papers relating to. Edited by Markham John Thorpe.
- Ireland. Documents. Edited by H. S. Sweetman, B.A., and H. S. Sweetman and G. F. Handcock.
- Ireland. Henry VIII, Edward VI, Mary and Elizabeth. State Papers. Edited by Hans C. Hamilton, F.S.A., and Ernest G. Atkinson.

3. Une collection plus grande encore de revues, de magazines, et de publications périodiques diverses: hebdomadaires, mensuelles et trimestrielles, en français et en anglais.
4. Une collection précieuse de littérature ecclésiastique et judiciaire s'étendant sur plus d'un siècle.
5. Quelques encyclopédies scientifiques de grande valeur et des dictionnaires français.
6. Un grand nombre de dons du gouvernement impérial, tels que la collection des manuscrits dits "Roll Series".
7. Une belle collection des rapports de l'association du barreau américain, acquise récemment à grands prix.

Dans quelque temps et quand la place sera de nouveau disponible, les bibliothécaires estiment que la plupart de ces pertes pourraient être réparées par l'intermédiaire des libraires connus, sans se départir des travaux ordinaires et sans faire de demandes exagérées au trésor.

Il y a peu de choses à ajouter à ce rapport.

Contrairement aux premières apparences, l'eau avait envahi en grande quantité presque toute la surface du plancher et avait ainsi endommagé un grand nombre de volumes comprenant des journaux reliés, des rapports parlementaires et les débats du Congrès des Etats-Unis.

Tous ces volumes ainsi endommagés ont été réunis, mis à sécher, et dans bien des cas, envoyés à la reliure pour être réparés ou reliés à neuf.

Pour pourvoir à cette dépense, une somme a été portée au budget.

Ce travail s'est étendu sur toute l'année, à raison de l'état de choses dans le soubassement, et a été fait au milieu de beaucoup de difficultés et d'embarras, et nous ne pouvons pas espérer de le voir terminé avant la prochaine session.

Les bibliothécaires se sont efforcés de réaliser l'espérance qu'ils ont exprimé de pouvoir réparer les pertes sans encourir de trop grandes dépenses. Ils ont reçu une généreuse assistance de différents endroits.

A la demande du premier ministre, un appel a été fait au conseil de l'Association du Barreau américain dont les rapports avaient complètement péri dans l'incendie, et en réponse nous avons reçu de l'association trente-huit volumes des plus importants qui paraissaient dans notre catalogue depuis quelques années.

Par l'intermédiaire de l'honorable Sir George Perley, K.C.M.G., haut commissaire canadien, un autre appel a été fait auprès du bureau de la papeterie de Sa Majesté, auquel on a permis de fournir aux agents de la Bibliothèque à Londres une collection considérable, et de grande valeur, de documents impériaux qui ont été catalogués comme suit:—

Instructed by cable orders, the Library agents in London collected for us complete sets of some valuable periodicals which had been wholly destroyed, such as:

*Edinburg Review*, Vols. 1-225;  
*English Historical Review*, 28 Vols.;  
*Quarterly Review*, Vols. 1-225;  
*Saturday Review*, Vols. 1-110;  
*Spectator*, Vols. 1-113.

All of the foregoing donations and purchases have been insured, and stored till such time as room is made available for them. The purchases have been paid for out of current estimates without extra demands for money; a due regard for economy in general purchases for the Library having enabled the Librarians to do so.

Attempt was made to supply the place of many American periodicals that were destroyed; but in no case was a complete set available, and even for imperfect sets, the price asked was deemed so high and the intrinsic value of the periodicals too small to justify the purchase.

In the course of time, such sets as may be deemed necessary, or useful, may be casually obtained from the customary sources.

Correspondence goes on still at intervals regarding the purchase of desirable sets, and from year to year they may be obtained out of current revenue, without detriment to the Library.

 D'après instructions communiquées par câblogrammes, les agents de la Bibliothèque à Londres se sont procuré pour nous des séries complètes de périodiques importants qui avaient été détruits dans l'incendie, tels que:—

*Edinburg Review*, Tomes 1-225;  
*English Historical Review*, 28 vols;  
*Quarterly Review*, Tomes 1-225;  
*Saturday Review*, Tomes 1-110;  
*The Spectator*, Tomes 1-113.

Tous ces dons et achats susmentionnés ont été assurés et mis en lieu sûr jusqu'à ce qu'il y ait ici un local convenable pour les recevoir.

On a payé ces achats à même les crédits courants sans aucun recours à une demande supplémentaire de fonds: l'économie apportée dans les achats ordinaires pour la Bibliothèque ayant permis aux bibliothécaires d'en agir ainsi.

On s'est efforcé de remplacer plusieurs revues périodiques américaines qui ont été détruites; mais en aucun cas il a été possible de se procurer des séries complètes; même pour des séries incomplètes, le prix demandé a été considéré trop élevé et la valeur intrinsèque des séries ne pouvait en justifier l'achat.

Owing to the above-mentioned purchases, and to the fact that there has been a cessation of activity among publishers, the purchases for the general Library during the year have not been profuse.

But all the books of any value, concerning the war, have been obtained, generally in duplicate, as promptly as the disturbance of transportation and the occasional delay of mails permitted.

More use than usual has been made of the mails, as waiting for freight transportation caused inevitable delay.

Many volumes of the Congressional Documents of the United States having been destroyed or injured by water, application was made to the Department of the Public Printer at Washington, and permission was obtained to supply the Library with the necessary numbers. In due time, a large assortment of volumes was sent us. As many of these volumes were among the rarest and most valuable of the Congressional Documents the donation was most welcome and deserves to be gratefully acknowledged.

A list of these documents is given in order to show the number and value of the gift, and the trouble that was taken by the officials of Departments to collect and forward them.

The whole series of volumes of the Reports of the Royal Colonial Institute since the year 1869 were also among the losses. Application was made to the officers of the Institute, and the Librarians have reason to believe that the application has been favourably received, but no final reply has been received in time for this report.

Avec le temps, telles de ces séries qui seront jugées nécessaires ou utiles pourront être achetées d'occasion sur le marché ordinaire.

De temps en temps les bibliothécaires s'occupent par correspondance de l'achat d'autres séries importantes, qui pourront être obtenues avec le budget annuel, sans nuire aux dépenses ordinaires de la Bibliothèque.

A raison des achats susmentionnés et aussi du ralentissement dans les affaires de librairie, les commandes de la Bibliothèque en général n'ont pas été nombreuses pendant l'année.

Mais tous les ouvrages de valeur touchant la guerre ont été achetés généralement en double, aussi promptement que le permettaient les difficultés de transport et les retards fréquents de la poste.

Il a fallu se servir de ce dernier moyen, vu les délais dans le transport entraînant un retard inévitable.

Plusieurs volumes des Documents du Congrès des Etats-Unis ayant été détruits ou endommagés par l'eau, une demande a été faite au département de l'imprimeur national à Washington qui a obtenu la permission de fournir à la Bibliothèque les volumes disparus. De temps à autre, un grand nombre de volumes nous ont été envoyés. Et comme une partie de ces documents sont des plus rares et des plus précieux, ce don est très apprécié et mérite d'être reçu avec reconnaissance.

On trouvera plus loin une liste de ces documents afin de montrer le nombre et la valeur de ce don et du soin apporté par les employés des départements pour les réunir et nous les expédier.

The donations to the Library during the year, apart from those mentioned above, have been many. Among them may be mentioned the following:—

From His Highness the Maharaja of Jeypore, India—

Jeypore Portfolio of Architectural details. Six parts in Folio Sheets.

From Louis Comfort Tiffany, New York—

The Art work of Louis C. Tiffany, 4to. N.Y. 1914.

A choice work of Art illustrated in colour and mezzotint, printed for private circulation for the Tiffany family.

From the Consulat général de Belgique, Ottawa—

A Book of Belgium's gratitude, articles from leading Belgians. Illustrated.

From the Canadian Bible Society—

Canton, Wm. History of the British and Foreign Bible Society. 5 vols. London, 1910.

From Yale University Library—

The usual annual donation of some valuable books of Biography and Travel.

(The extent and value of these gifts from Yale University deserve to be most cordially acknowledged.)

Though there has been no great activity in the publishing business and some purchases have been made of complete collections, the necessary works of current literature, of interest in the Library, have been procured.

All the more authoritative histories of the war have been purchased. All the volumes of popular description or personal narrative have been obtained. And special pains have been taken to procure all the law-books relating to the war and all the Diplomatic papers and correspondence of the Allies and of the United States. These have been obtained in sufficient numbers to be of immediate use at any time to members.

Purchase has also been made in Paris of the following valuable periodicals:—

*Revue des Deux Mondes*, 570 vols.

*Le Correspondant*, 172 vols.

And we have reason to expect that the Government of the French Republic will donate fifty years' issues of the *Journal Official*, an invaluable repertory of the official history of the nation.

The following Canadian periodicals destroyed in the fire have, during the year, been also purchased out of current revenue:—

*New Dominion Monthly*, from 1867 (Montreal) to 1879. 21 vols.

*Belford's Monthly Magazine*, from December, 1876, till its discontinuance in 1878, then as 3 vols.

*Rose Belford's Canadian Monthly*, from July, 1878, till June, 1882. 8 vols.

*The Canadian Monthly and National Review*, from January, 1872, till July, 1878 (discontinued) when merged in the *Rose Belford's*. 13 vols.

*Canadian Magazine (The)* its commencement March, 1893, up to 1916. 46 vols.

*Mélanges (les) religieux*, Montréal, depuis le commencement, Jan., 1841, jusqu'à l'année 1859. 12 vol. fol.

L'ensemble des Rapports du Royal Colonial Institute depuis l'année 1869 ont aussi été perdus.

Demande de ces volumes a été faite à l'Institut, et les bibliothécaires ont raison d'espérer qu'elle a été bien accueillie; mais aucune réponse n'a été reçue à temps pour ce rapport.

Les dons faits à la Bibliothèque durant l'année, outre ceux mentionnés plus haut, ont été nombreux. En voici quelques-uns:—

De Son Altesse le Maharaja de Jeypore, India—

Jeypore Portfolio of Architectural details; six parties in-folio.

De Louis Comfort Tiffany, New-York—

The Art work of Louis C. Tiffany, 4to. N.-Y., 1914.

Ouvrage d'art précieux, illustré en couleurs et en demi-teinte, imprimé pour la famille Tiffany seulement.

Du Consul Général de Belgique, Ottawa—

A Book of Belgium's gratitude, articles from leading Belgians. Illustré.

De la Canadian Bible Society—

Canton, Wm. History of the British and Foreign Bible Society. 5 vols. London, 1910.

De la Bibliothèque de l'Université de Yale—

Dons qu'elle nous fait tous les ans d'importants ouvrages de Biographie et de Voyages. Le nombre et la valeur de ces dons que nous fait l'Université de Yale méritent notre reconnaissance la plus cordiale.

Malgré le peu d'activité dans le commerce de librairie, on a pu faire l'acquisition de quelques collections complètes d'ouvrages pouvant être intéressants pour la Bibliothèque.

Toutes les publications sur la guerre, faisant autorité, ont été achetées; on s'est aussi procuré tous les volumes de description populaire et de relations personnelles.

On s'est aussi efforcé d'acheter les publications légales se rapportant à la guerre, tous les documents diplomatiques et la correspondance des alliés; ceux-ci en nombre suffisant pour l'usage immédiat des députés.

Les revues suivantes, qui avaient été détruites par le feu, ont été achetées à Paris:—

*La Revue des Deux Mondes*, 570 vols.

*Le Correspondant*, 172 vols.

Nous avons tout lieu de croire que le gouvernement de la République française va nous donner 50 années du Journal Officiel, précieux répertoire de l'histoire officielle de la nation française.

Les périodiques canadiens suivants, détruits par le feu, ont été remplacés et payés à même les crédits ordinaires:—

New Dominion Monthly, from 1867 (Montreal) to 1879, 21 vols.

Belford's Monthly Magazine, from December 1876, till its discontinuance in 1878, then as 3 vols.

Rose Belford's Canadian Monthly, from July, 1878, till June, 1882, 3 vols.

The Canadian Monthly and National Review from January, 1872, till July, 1878, (discont.) when merged in the Rose Belford's, 13 vols.

Canadian Magazine (The) its commencement March, 1893, up to 1916, 46 vols.

Mélanges (les) religieux, Montréal, depuis le commencement, janvier 1841 jusqu'à l'année 1859, 12 vols. fol.

The list of copyrights has been prepared as usual and will be found according to custom among the sessional papers when printed.

The annual catalogue of accessions has been prepared and is in the hands of the printers. It will be distributed at an early date.

All of which is respectfully submitted.
